Subject: Request Regarding Recruitment Process, Interviews and Final Merit List

Respected Sir,

On February 23, 2025, the Capital Development Authority advertised multiple vacancies, for which candidates submitted their applications. The initial written tests were scheduled for May 10, 11, and 12, 2025; however, they were subsequently rescheduled to May 17, 18, and 19, 2025. The results were announced on June 14, 2025, and interviews were originally scheduled between July 2 and July 21, 2025. Unfortunately, due to unforeseen circumstances, these interviews were cancelled.

Subsequently, the interviews were rescheduled from December 18 to December 31, 2025. It has now been approximately two months since these interviews took place. Recently, the Capital Development Authority has summoned certain candidates to the Jinnah Convention Center, which has caused concern and uncertainty among other candidates regarding the final outcome.

As of today, March 2, 2026, the final merit list has still not been announced. In this context, it is respectfully requested that the Capital Development Authority provide an official clarification regarding the current status on its website and indicate the expected date for the announcement of the final merit list, so that all candidates may receive transparent and timely information.

Your prompt and transparent attention to this matter will be greatly appreciated.

Yours sincerely,
